

COLORADO
Department of Transportation

Apply for a \$1,500 Stipend to Conduct a FACTS Project in Your Community

Is your FCCLA Chapter looking for a way to make a big impact this school year?

Apply for this opportunity from **Colorado FCCLA** made possible by the **Colorado Department of Transportation** to earn a \$1,500 stipend to conduct a FACTS project in your community. Fifteen (15) local chapters will be selected to receive a stipend to help bring their project idea to life.

Applications will be accepted until November 15.

HOW IT WORKS

STEP 1: APPLY

Develop a FACTS project idea with your chapter and submit an application. The application is located in the FCCLA Portal (Surveys/Applications tab). **Applications will be accepted until November 15.** All applications will be reviewed after the November 15 deadline, and recipients will be notified once approved. **Projects must be within these four (4) topic areas: Distracted Driving, Seat Belts, Speeding, or Road Safety Assessments.**

STEP 2: RECEIVE \$1,500 STIPEND

FCCLA will select fifteen (15) recipients and award each chapter a \$1,500 stipend to develop their student-led traffic safety project.

STEP 3: CARRY OUT YOUR FACTS PROJECT

Use your funds to conduct a FACTS project in your school or community.

STEP 4: SUBMIT PROJECT REPORT

Upon the successful completion of your traffic safety project, stipend recipients are required to **submit a comprehensive project report by completing the FACTS National Program Award application by March 1, 2024.** This application will also make you eligible for the national awards! Upon completing the application, **FCCLA will also provide the fifteen (15) stipend recipients with a travel stipend to send one (1) chapter member to the 2024 Colorado State Leadership Conference to present their project. The five (5) chapters with the most outstanding projects will be awarded a \$3,000 cash prize.**

BUT THAT'S NOT ALL!

The **top five (5) chapters will also each receive one (1) travel stipend to attend the 2024 National Leadership Conference to present a workshop.** The chapter with the **best project submission will also receive funding for one student and the chapter adviser to attend the 2024 Governors Highway Safety Association Annual Meeting to conduct a workshop and host a booth with National FCCLA.**

Looking for project ideas? Use the FCCLA's FACTS program guide and resources to get started. Chapters affiliated last year can find the FACTS guide on the FCCLA Portal under the Purchased Publications Tab. **Visit www.fcclainc.org for more information.**
